

SIERRABLEN®
PLUS

Spring & Summer with Pearl®

Get your turf ready for a growth-packed spring and summer

17	2.2	4.2	3.0
N	P	K	Mg

Description

Take your tired turf out of the winter cold and bring on spring and summer growth with Sierrablen® Plus Spring & Summer with Pearl® Technology. With ICL's patented Pearl® technology, you can prevent any loss of phosphorus, while developing stronger roots for long-term growth. Ensure at least 3 months of controlled, healthy growth thanks to ICL's Poly-S coated nitrogen content. Keep your turf looking pristine during those warmer months with added magnesium to achieve those gorgeous greens.

Guaranteed analysis

Elemental

N	Total Nitrogen	**17%**
	Ammoniacal nitrogen (N-NH_4)	2.9%
	Urea nitrogen (N-Urea)	14.1%
P	Phosphorus	**2.2%**
	Water soluble (P)	2.2%
K	Potassium	**4.2%**
	Water soluble (K)	4.2%

Ca	Calcium	**1.4%**
Mg	Magnesium	**3.0%**
	Water soluble (Mg)	1.8%

Benefits

- Patented Pearl® technology for enhanced rooting and phosphorus efficiency
- Poly-S coated nitrogen for minimum 3 months of controlled healthy growth
- NPK formula with added calcium and magnesium

Application rates

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

How to use

1. Use a spreader to apply the fertilizer after mowing.
2. Properly seal partly used or damaged bags.
3. Store under dry conditions.
4. If you need more information, please contact your technical support.

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
