How do we keep your data secure?

We make every effort to keep your data safe. We take, for instance, the following measures:

- **Encryption:** we make sure the data is extra secured while we store or send it.
- **Two-factor authentication:** to ensure only persons entitled to do so can access the data.
- **Strict authorizations:** your data is processed only by the persons entitled to do so and for the purposes stated.
- **Logging:** we keep track of who has had access to the data, and when.

Your privacy rights

Do you want to exercise any of these rights? Please contact us at: DataPrivacy@icl-group.com

Right to access: you have the right to inspect the personal data that we process about you.

Right to rectification: you have the right to make us correct any incorrect or incomplete personal data we have about you.

Right to erasure: you have the right to make us delete any personal data we have about you.

Right to restriction of processing: in some cases, you have the right to ask us to restrict (temporarily or otherwise) the processing of your personal data. This means that we'll process less data about you.

Right to object: you have the right to object to the processing of your personal data.

Right to withdraw consent: you can easily withdraw your consent to the processing of your personal data at any time.

Right to data portability: you have the right to obtain a copy of your data so that you can port it to another service. If you ask us and it is technically possible, we will directly transfer the data to the other service for you.

Right to lodge a complaint about us with the supervising authority: if you are unhappy with how we process your data, please tell us first, so we have a chance to address your concerns. If we fail in this, under the privacy legislation, you have the right to contact the supervising authority to lodge a complaint.

Third parties who also process your data

To achieve the purposes we described above, we share your personal data with other companies or institutions. We have signed a data processing agreement with these parties to ensure that they process your data according to the purposes, safeguards, and good practices detailed in this statement.

Where personal data is transferred to a third party **outside of the EU** we take steps to ensure we agree the required [standard contractual clauses](#) with them.

Service provider	Data categories collected / shared	Purpose	Place of processing
IT-suppliers Privacy policy	<ul style="list-style-type: none"> • Contact data • Click and behaviour data • Profiling data 	Running our website Storage of (personal) data Improving our (online) services	EU and USA
Marketing agencies/firms Privacy policy	<ul style="list-style-type: none"> • Contact data • Click and behavior data • Profiling data • Location data 	Improving our (online) services Sending our newsletter	EU and USA

Sometimes we may also share data if we are **legally obliged to do so** (for example, if the police demands data in the event of suspected crime).

Updates to this statement

We have the **right to update** this privacy statement.

The most updated version of the statement is always available on our website (and we will notify you in advance via email when important changes are coming).
