

## Warranty Policy

### AccuPro 360ST and AccuPro DROP

ICL warrants the AccuPro 360ST and AccuPro DROP to be free of defects in original workmanship and materials for a period of 3 years with the original dated purchase receipt.

If a manufacturing nonconformance is found, ICL will repair or replace the part(s) or complete product at its discretion at no charge provided the failure is not the result of incorrect installation, mishandling, misuse, tampering, or normal wear and tear as determined by ICL.

In exceptional circumstances and at its discretion ICL may require that the part(s) or product be returned along with the specific customer's purchase details, showing purchase dates for examination and compliance within the terms of this warranty. In the event of the warranty claim being accepted, ICL will rectify the warranted issue in the way they see fit and return the warranted product in working order.

Product must not be returned without first receiving authorization from ICL

### Specific limitations

This warranty covers only the part(s) or product; any labor charges associated with repair or replacement of nonconformances are specifically excluded.

Due to the corrosive nature of many fertilizers and ice melt products, ICL makes no warranty and specifically excludes part(s) or product degradation or failure due to corrosion or its effects.
