When a product is included in a national list, FiBL checks whether it meets the respective registration or listing requirements in the countries indicated. For products without a legal registration or listing requirement, the distributor has confirmed in writing to FiBL that the product is marketable in the country indicated. For all countries not listed, marketability must be clarified by the user. The general and technical legal provisions for the use of the inputs listed here remain reserved. All information is provided without guarantee. FiBL and the standard holders (associations) disclaim any liability in connection with the use of the listed inputs. The authenticity of this confirmation can be verified on the internet at https://www.input-list.com/search.html.
