

Sportsmaster® WSF

Iron

For a tougher, greener, stress-free grass year round

19.5

Fe

Where to buy

Description

Perfect for a large area of turf, this economical iron-rich fertilizer will intensify color and toughen up the sward, making it more resistant to disease and stress. It's easy to dissolve in cold water and features our TMax technology, optimizing nutrient uptake through both leaves and roots. You'll soon see a response in your grass, which will last for several weeks. Any risk of scorching is minimized. Ideal all year round and especially suited to lower soil temperatures. You can use it with other ICL products, and it's great in a tank mix with Primo Maxx®.

Guaranteed analysis

Elemental

N	Total Nitrogen	**0%**
P	Phosphorus	**0%**
K	Potassium	**0%**
Fe	Iron	**19.5%**
	Water soluble (Fe)	19.5%

Benefits

- Iron content means tougher, greener grass
- Good value on large areas such as fairways
- Response lasts for weeks

Characteristics

Pack size	15kg
Technology	Conventional
Granule dispersal	Immediate *depending on environmental factors
Longevity	2-4 weeks (depending on rate) *depending on environmental factors
Typical turf response	< 24 hours *depending on environmental factors

Application rates

Application rate	Water volume	Pack coverage
10kg/ha	900L/ha (root & foliar)	15,000m2
15kg/ha	900L/ha (root & foliar)	10,000m2
20kg/ha	900L/ha (root & foliar)	7,500m2

Trail first on a small scale before changing the rate, or any other variables, As circumstances can differ and the application of our products is beyond our control, ICL cannot be held responsible for any adverse results.

How to use

1. Sportsmaster® WSF products are tank-mixable with other products within the range and H2Pro® & H2Pro® Maximize wetting agents.
2. To ensure that this product dissolves completely, mix by adding the quantity required to a half-full spray tank, then agitating for 10 – 15 minutes. Then fill the tank to full capacity with water. The water temperature will affect the dissolution rate.
3. If spilled on pavement, concrete, clothes, etc. brush off immediately as it can stain. Contains iron: do not apply in case of risk of contact with concrete, marble, stone, fabric, or swimming pools.

Attention

Trial first on a small scale before changing the rate, application, or any other variables. As circumstances can differ and as the application of our products is beyond our control, ICL cannot be held responsible for any adverse results. Contact your ICL advisor for more detailed advice.
